VOLUNTARY ANNOUNCEMENT - WEB3 BRAND PROMOTION AND RWA ISSUANCE PROJECTS

This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Virtual Mind Holding Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The Board is pleased to announce that on 24 January 2025, the Company entered into a non-legally binding cooperation framework agreement (the “**Framework Agreement**”) with N-Bridge Capital Group Limited (“**N-Bridge Capital**”), pursuant to which the parties jointly cooperate on the Web3 brand promotion project (the “**Web3 Brand Promotion**”) and RWA issuance project (the “**RWA Issuance**”) of Wangfu Center* (王府中心).

Details of the proposed cooperation among the parties pursuant to the Framework Agreement are set out below:

1. Comprehensive brand promotion and marketing services: N-Bridge Capital will coordinate with Liheng Jiahui International Corporate Management (Beijing) Co., Ltd.* (利恒嘉匯國際企業管理（北京）有限公司) (which owns specific property assets and the operation right of the large screens in Wangfu Center) to provide resources such as the commercial office premises, outdoor large screens in Wangfu Center, and its connections with the partners of La Liga club* (西甲俱樂部), etc. The parties will cooperate to leverage their technical capabilities and innovative business operation and promotion experience in the field of Web3 to jointly provide comprehensive brand promotion and marketing services for products in various industries. Detailed service scope is as follows:

- (1) Co-branded products: leveraging the influence of La Liga club to jointly launch featured co-branded products with various brands, combining the unique digital attributes of products endowed by Web3 technology to enhance the product's attractiveness and market competitiveness.
 - (2) Standard brand launch conference: relying on the venue advantages of Wangfu Center, integrating Web3 technology to create an immersive experience to hold standard brand launch conference with industry influence, while using La Liga club elements to increase the attention of the launch conference.
 - (3) Large screen advertising display: using the outdoor large screens of Wangfu Center to display brand advertisements, realize interactive innovation of advertisements through Web3 technology, and incorporate elements related to La Liga club to attract more awareness from potential customers.
 - (4) Brand spokesperson communication meetings: to organize communication meetings between the brands and potential spokespersons, use Web3 technology to build an efficient and transparent communication platform, and use other resource advantages where feasible, invite La Liga club stars or relevant celebrities as brand spokespersons, so as to create more possibilities for brand endorsement cooperation.
 - (5) Web3 brand wallets: to use own technical capabilities to create exclusive Web3 brand wallets for cooperative brands, realizes digital management and operation of brand's rights and interests based on blockchain technology, and strengthen the interaction and stickiness between brands and consumers.
2. In terms of RWA issuance, it is planned to issue real asset tokens (RWA) in places such as Hong Kong or Singapore. By combining physical assets with blockchain technology, revitalize existing assets, attract more investors to participate, broaden financing channels, and enhance the liquidity and value of assets.

As at the date of this announcement, Mr. Mei Weiye, the chairman and an executive Director of the Company, holds 40% of the issued shares of N-Bridge Capital, while Mr. Wu Zheng (“**Mr. Wu**”) is the shareholder and ultimate beneficial owner of the remaining 60% of the issued shares of N-Bridge Capital. Mr. Wu is independent from and not connected with the Company and its connected persons (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)).

Information of Wangfu Center Project

N-Bridge Capital and the owner of Wangfu Center project have signed a cooperation agreement on the Web3 Brand Promotion and RWA Issuance projects. N-Bridge Capital will cooperate with its designated partners on the Web3 Brand Promotion project and RWA Issuance project of Wangfu Center. At the same time, N-Bridge Capital also has relationships and resources with La Liga club partners.

The resources of Wangfu Center project include (1) the necessary use rights of Room 801 and the convention space on the 9th Floor of the office building of Wangfu Center; (2) the operating rights to two designated large screens in Wangfu Center; and (3) the preferential package services of Gongyan Mansion* (宮燕府) on the 3rd Floor of Wangfu Center.

Reasons for and Benefits of entering into the Framework Agreement

The Group has been actively pursuing to expand its business. The Group has rich experiences in operating Web3 brand promotion platform and RWA issuance resources. The cooperation under the Framework Agreement effectively integrates commercial real estate resources, rights and interests in the field of sports, and its own Web3 technology advantages, which helps expand business areas and enhance the diversity and innovation of brand promotion services. Through RWA Issuance project, new assets operation and financing models can be explored.

The cooperation under the Framework Agreement is an important milestone for the Company in the field of Web3. It aims to use innovative business models to expand business areas and enhance the Company's comprehensive competitiveness. It is expected to bring new business growth points to the Company and positive impact on the future development of the Company.

In light of the above, the Board considers that the Framework Agreement is in line with the Company's development strategy, and the cooperation under the Framework Agreement is in the interests of the Company and its shareholders as a whole.

GENERAL

The Framework Agreement aims to establish a preliminary mutual understanding between the parties on the proposed cooperation. Except for the confidentiality clause, the Framework Agreement will not constitute any legal obligations for any parties in any aspects. The cooperation under the Framework Agreement, if materializes, may constitute a continuing connected transaction of the Company under the Listing Rules. If the parties enter into a formal cooperation agreement, or if there are any material developments with respect to the proposed cooperation, the Company will make further announcement(s) in accordance with the Listing Rules as and when appropriate.

Shareholders of the Company and/or potential investors should note that as no formal binding documentation has been executed between the parties and negotiations are still in progress, the cooperation under the Framework Agreement may or may not implement. Shareholders of the Company and/or potential investors are reminded to exercise caution when dealing in the securities of the Company.
