**CONTINUING CONNECTED TRANSACTIONS
IN RELATION TO
TECHNOLOGY LICENSING COOPERATION AGREEMENT**

On 7 April 2025, Virtual Mind New Consumption, a wholly-owned subsidiary of the Company, entered into the Cooperation Agreement with N-Bridge Capital, pursuant to which N-Bridge Capital shall grant Virtual Mind New Consumption the technology licensing for the Licensed Subject related to the Business Platform authorized by N-Bridge Capital, from the Effective Date to 31 December 2027.

LISTING RULES IMPLICATION

As at the date of this announcement, Mr. Mei Weiyl, the Chairman and an executive Director of the Company, holds 40% of the issued shares of N-Bridge Capital. Therefore, N-Bridge Capital is deemed to be an associate of Mr. Mei, and is a connected person of the Company.

The transactions contemplated under the Cooperation Agreement are expected to be of a recurring nature and will be conducted regularly and continuously in the ordinary and usual course of business of the Group. Therefore, the Cooperation Agreement and the transactions contemplated thereunder constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

Mr. Mei has a material interest in the transactions contemplated under the Cooperation Agreement, and therefore Mr. Mei has abstained from voting on the Board resolution approving the Cooperation Agreement and the transactions contemplated thereunder.

As the highest applicable percentage ratio calculated in accordance with the Listing Rules in respect of the annual caps under the Cooperation Agreement is less than 5%, the transactions contemplated under the Cooperation Agreement are subject to the reporting, announcement and annual review requirements under Chapter 14A of the Listing Rules.

COOPERATION AGREEMENT

On 7 April 2025, Virtual Mind New Consumption, a wholly-owned subsidiary of the Company, entered into the Cooperation Agreement with N-Bridge Capital, pursuant to which N-Bridge Capital shall grant Virtual Mind New Consumption the technology licensing for the Licensed Subject related to the Business Platform, from the Effective Date to 31 December 2027.

The principal terms of the Cooperation Agreement are as follows:

Date

7 April 2025

Parties

- (i) Virtual Mind New Consumption (as licensee); and
- (ii) N-Bridge Capital (as licensor)

Subject Matters

N-Bridge Capital shall grant Virtual Mind New Consumption the technology licensing for the Licensed Subject related to the Business Platform within the Licensed Regions, from the Effective Date to 31 December 2027.

Pursuant to the Cooperation Agreement:

- (1) N-Bridge Capital shall arrange fully qualified and experienced employees to provide basic technical services and technical guidance on how to implement the Licensed Subject and ensure normal function and operation of the Business Platform.
- (2) Virtual Mind New Consumption shall not sub-license or re-license the Licensed Subject to any third party without the written consent of N-Bridge Capital. A wholly-owned subsidiary of Virtual Mind New Consumption or any project company which is established for business needs and confirmed by N-Bridge Capital is not subject to such restriction.

- (3) If Virtual Mind New Consumption makes any improvements based on the Licensed Subject (“**Licensee Improvements**”), the ownership and intellectual property rights of such Licensee Improvements shall be separately negotiated and agreed in writing by both parties.
- (4) If N-Bridge Capital makes any improvements based on the Licensed Subject (“**Licensor Improvements**”), the ownership and intellectual property rights of such Licensor Improvements shall belong to N-Bridge Capital. The grant by N-Bridge Capital to Virtual Mind New Consumption the licensing related to the Licensor Improvements is subject to separate negotiations and written agreement between both parties.

Licensing Fee and Payments

According to the Cooperation Agreement, the licensing fee paid by Virtual Mind New Consumption to N-Bridge Capital is calculated with the method of guaranteed amount plus extra share, as follows:

- (1) if the annual total revenue of Virtual Mind New Consumption from the Business Platform is HK\$500 million or less, the guaranteed amount of the licensing fee is HK\$3 million;
- (2) if the annual total revenue of Virtual Mind New Consumption from the Business Platform exceeds HK\$500 million, an additional 1.5% of the extra portion of the annual total revenue may be charged as extra share of licensing fee; and
- (3) the total annual licensing fee shall not exceed HK\$9.7 million.

Term

From the Effective Date to 31 December 2027.

Historical Transactions

N-Bridge Capital did not grant the Group the right to use the Licensed Subject in the past.

Annual Caps

According to the Cooperation Agreement, the annual caps on the licensing fee for the technology licensing that N-Bridge Capital will provide to Virtual Mind New Consumption shall be less than HK\$9.7 million for each of the three years from the Effective Date to 31 December 2027.

REASONS FOR ENTERING INTO THE COOPERATION AGREEMENT

The Group is principally engaged in (i) apparel operation; (ii) money lending operation; and (iii) IP application and products operation. The Group has been actively seeking for expansion of the Group's business.

N-Bridge Capital was incorporated in Hong Kong in 2015.

N-Bridge Capital is an AI+ blockchain application technology company, and can provide an AI+Web3 platform-level infrastructure that connects the real world and the virtual world. Its FlexDeal platform redefines “transaction witnessing, transaction accounting, transaction payment (ledger) and transaction financing” through its unique real-name wallet technology. Its technological capabilities can provide the next generation of transaction infrastructure for decentralized business cooperation and have fully integrated DeepSeek’s big model capabilities.

N-Bridge Capital team has the necessary intellectual property rights authorization and operational experience related to the establishment of a universal exchange certificate issuance and management platform (including but not limited to stablecoins, digital currencies, NFTs, etc.) (“**Universal Exchange Certificate Platform**”) globally.

The Business Platform is developed based on the FlexDeal transaction infrastructure platform, integrating Web3 and AI technologies, focusing on new consumption scenarios, and is able to realize digital management of Real World Asset (RWA) and its application in new consumption scenarios. Through Cross-Chain technology, smart contracts and API interfaces, the platform provides a decentralized, efficient and safe transaction and asset management ecosystem for suppliers, merchants and consumers.

The parties intend to leverage their respective strengths to commence business cooperation. N-Bridge Capital shall grant Virtual Mind New Consumption the technology licensing to establish the Business Platform globally, enabling the Group to carry out the related business.

Through the Cooperation Agreement, N-Bridge Capital shall provide technology licensing for business segments of different scenarios in the new consumption field that Virtual Mind New Consumption will develop, including but not limited to the following five scenarios:

1. New consumption for core traffic outdoor large screen members
2. New consumption for sports club members
3. New consumption for membership products
4. New consumption for hospital channel unmanned retail smart cabinet members
5. New consumption for wine industry’s unmanned retail smart cabinets members

By virtue of the Group’s extensive experience in operating brands, trendy and cultural products, its market resources and business development capabilities for real-world transaction universal exchange certificates, plus N-Bridge Capital’s technology in the Universal Exchange Certificate Platform, the Group will be able to advance its Universal Exchange Certificate Platform business globally, which is in line with the Company’s development strategy.

The Board (including the independent non-executive Directors) considers that the transactions contemplated under the Cooperation Agreement (including the annual caps) (i) have been negotiated on an arm's length basis; (ii) are conducted on normal commercial terms and based on prevailing market conditions; and (iii) are fair and reasonable and in the interests of the Company and Shareholders as a whole.

LISTING RULES IMPLICATION

As at the date of this announcement, Mr. Mei Weiyi, the Chairman and an executive Director of the Company, holds 40% of the issued shares of N-Bridge Capital. Therefore, N-Bridge Capital is deemed to be an associate of Mr. Mei, and is a connected person of the Company.

The transactions contemplated under the Cooperation Agreement are expected to be of a recurring nature and will be conducted regularly and continuously in the ordinary and usual course of business of the Group. Therefore, the Cooperation Agreement and the transactions contemplated thereunder constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

Mr. Mei has a material interest in the transactions contemplated under the Cooperation Agreement, and therefore Mr. Mei has abstained from voting on the Board resolution approving the Cooperation Agreement and the transactions contemplated thereunder.

As the highest applicable percentage ratio calculated in accordance with the Listing Rules in respect of the annual caps under the Cooperation Agreement is less than 5%, the transactions contemplated under the Cooperation Agreement are subject to the reporting, announcement and annual review requirements under Chapter 14A of the Listing Rules.
